

APM Series

SPST/DPST with Illumination Push Button Switch

Features

- Compact structure
- Large operating travel distance
- Long lifespan and high reliability
- Variety of knob shapes

Specifications

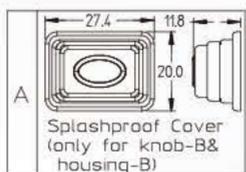

- UL1054 : 16A 125VAC T105 6000 cycles
- ENEC : 16(4)A/12(8)A 250VAC T125/55 10000 cycles;
10(6)A 250VAC T125/55 50000 cycles
- IP00 (incorporated w/o rubber cap),
IP65 (incorporated with rubber cap)
- Insulation resistance : $\geq 50M\Omega$
- Contact resistance : $\leq 50m\Omega$

Typical applications

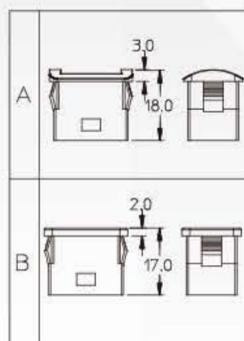

Floorcare appliances	Household appliances	Others
Vacuum cleaner	Floor steamer and mop	Heater
		Socket
